**Notice of Temporary Road Closure and Detour for Schantz Road  
July 6 to July 9, 2010**

Please be advised that LCA is planning a temporary closure of Schantz Road in the vicinity of the one-lane bridge, so that a water main can be installed safely across the roadway. This work is part of a project to interconnect the drinking water systems of LCA and the City of Allentown.

Schantz Road will be closed to thru traffic from 7:00 AM Tuesday, July 6, 2010 until 5:00 PM Friday, July 9, 2010. During this period, Schantz Road will be open to local traffic from Hamilton Boulevard and from Cetronia Road up to the bridge.

Hamilton Boulevard, Krocks Road, and Cetronia Road will be used as a detour route during construction. Early warning and detour signs will be posted to advise motorists.

Please exercise caution and obey the signs that are placed for your safety. We thank you in advance for your cooperation and understanding during the construction.
