Lehigh County Authority 2024 Budget – Draft 09-18-2023 Internal Service Budgets Overview

Lehigh County Authority's Internal Service budget serves as a pass-through mechanism to move shared expenses appropriately to the enterprise funds they support.

The Internal Services budget captures expenses in two different categories:

- 1. **Enterprise Fund Specific** Internal Service expenses that are specific to the Suburban or City Divisions are shared with those specific enterprise funds based on the services provided to each fund.
- 2. **Global (Organizational)** Internal Service expenses that are not specific to one of the Authority's enterprise funds, but which support the organization as a whole, are captured separately in the Global Internal Service budget and allocated to the funds based on a pro-rata share of salaries.

These Internal Service budgets capture expenses related to the following functions: Executive, Human Resources, Risk Management, Planning, Finance, Information Technology, Customer Care and Billing, Capital Works, and General and Administration. The Internal Service expenses outlined in this section of the Authority's 2023 Budget are also captured within the enterprise fund budgets detailed in previous sections of this publication, allocated to those funds based on the methodology described above.
